Show rate under 60%? Check four things, in this order.

Ricky Jones
@rickyjones.ig

First, the confirmation page. Does it do anything besides say thanks?

Second, how fast someone contacts them after they book. Within 5 minutes is the goal.

Ricky Jones
@rickyjones.ig

Third, whether the closer has any relationship with them before the call.

Fourth, whether anything beyond Calendly reminders reaches them. Emails with real value inside, not just “your call is tomorrow.”
