A booked call costs $150.

A closed deal costs $1,070.

Say 7 in 10 people show up. That call really costs about $214.

Say 1 in 5 of those closes. A closed deal costs about $1,070.

If the deal is worth $10,000, you spent about 11% of it to win it.

Most people judge their ads by the first number. The last number is the one that pays you.
